

Appendix A: Self-assessment form

This self-assessment form should be completed by the complaints officer and it must be reviewed and approved by the landlord's governing body at least annually.

Once approved, landlords must publish the self-assessment as part of the annual complaints performance and service improvement report on their website. The governing body's response to the report must be published alongside this.

Landlords are required to complete the self-assessment in full and support all statements with evidence, with additional commentary as necessary.

We recognise that there may be a small number of circumstances where landlords are unable to meet the requirements, for example, if they do not have a website. In these circumstances, we expect landlords to deliver the intentions of the Code in an alternative way, for example by publishing information in a public area so that it is easily accessible.

Section 1: Definition of a complaint

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
1.2	A complaint must be defined as: <i>'an expression of dissatisfaction, however made, about the standard of service, actions or lack of action by the landlord, its own staff, or those acting on its behalf, affecting a resident or group of residents.'</i>	Y	Complaint policy section 4.1 [*]	
1.3	A resident does not have to use the word 'complaint' for it to be treated as such. Whenever a resident expresses dissatisfaction landlords must give them the choice to make complaint. A complaint that is submitted via a third party or representative must be handled in line with the landlord's complaints policy.	Y	Complaint policy section 4.2	
1.4	Landlords must recognise the difference between a service request and a complaint. This must be set out in their complaints policy. A service request is a request from a resident to the landlord requiring action to be taken to put something right. Service	Y	Complaint policy section 4.45	Milestone recognises the difference between a complaint and a service request, this is clear in the Complaints Policy.

	requests are not complaints, but must be recorded, monitored and reviewed regularly.			
1.5	A complaint must be raised when the resident expresses dissatisfaction with the response to their service request, even if the handling of the service request remains ongoing. Landlords must not stop their efforts to address the service request if the resident complains.	Y	Complaint policy section 4.45	If a tenant is dissatisfied with the handling of the service request Milestone will log it as a complaint but will not halt efforts to resolve the service request.
1.6	An expression of dissatisfaction with services made through a survey is not defined as a complaint, though wherever possible, the person completing the survey should be made aware of how they can pursue a complaint if they wish to. Where landlords ask for wider feedback about their services, they also must provide details of how residents can complain.	Y	Complaint policy section 4.3	Milestone do this via an external Tenant Satisfaction Survey in which the tenant is informed of our complaints policy and that they have the right to make a complaint if they are dissatisfied.

Section 2: Exclusions

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
2.1	Landlords must accept a complaint unless there is a valid reason not to do so. If landlords decide not to accept a complaint they must be able to evidence their reasoning. Each complaint must be considered on its own merits	Y	Complaint policy section 4.6	
2.2	A complaints policy must set out the circumstances in which a matter will not be considered as a complaint or escalated, and these circumstances must be fair and reasonable to residents. Acceptable exclusions include: • The issue giving rise to the complaint occurred over twelve months ago. • Legal proceedings have started. This is defined as details of the claim, such as the Claim Form and Particulars of Claim, having been filed at court.	Y	Complaint policy sections 4.4 & 4.45	

	Matters that have previously been considered under the complaints policy.			
2.3	Landlords must accept complaints referred to them within 12 months of the issue occurring or the resident becoming aware of the issue, unless they are excluded on other grounds. Landlords must consider whether to apply discretion to accept complaints made outside this time limit where there are good reasons to do so.	Y	Complaint policy section 7.8	
2.4	If a landlord decides not to accept a complaint, an explanation must be provided to the resident setting out the reasons why the matter is not suitable for the complaints process and the right to take that decision to the Ombudsman. If the Ombudsman does not agree that the exclusion has been fairly applied, the Ombudsman may tell the landlord to take on the complaint.	Y	Complaint policy sections 4.44 & 4.45	
2.5	Landlords must not take a blanket approach to excluding complaints; they must consider the individual circumstances of each complaint.	Y	Complaint policy section 4.45	

Section 3: Accessibility and Awareness

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
3.1	Landlords must make it easy for residents to complain by providing different channels through which they can make a complaint. Landlords must consider their duties under the Equality Act 2010 and anticipate the needs and reasonable adjustments of residents who may need to access the complaints process.	Y	Complaint policy section 8.4	
3.2	Residents must be able to raise their complaints in any way and with any member of staff. All staff must be aware of the complaints process and be able to pass details of the complaint to the appropriate person within the landlord.	Y	Complaint policy sections 5.1 & 7.2	All Milestone complaint handling staff are trained and familiar with the Milestone Complaints Policy.
3.3	High volumes of complaints must not be seen as a negative, as they can be indicative of a well-publicised and accessible complaints process. Low complaint volumes are potentially a sign that residents are unable to complain.	Y	Complaint policy section 4.344	

3.4	Landlords must make their complaint policy available in a clear and accessible format for all residents. This will detail the two stage process, what will happen at each stage, and the timeframes for responding. The policy must also be published on the landlord's website.	Y	Complaint policy section 3.7 & 4	Milestone clearly set out the two-stage process within their Complaints Policy and make the Policy available in a variety of formats and fulfil reasonable requests for alternative formats within ten calendar days.
3.5	The policy must explain how the landlord will publicise details of the complaints policy, including information about the Ombudsman and this Code.	Y	Complaint policy section 4.4	As above
3.6	Landlords must give residents the opportunity to have a representative deal with their complaint on their behalf, and to be represented or accompanied at any meeting with the landlord.	Y	Complaint policy section 4.46	
3.7	Landlords must provide residents with information on their right to access the Ombudsman service and how the individual can engage with the Ombudsman about their complaint.	Y	Complaint policy sections 4.6, 4.13, 4.25-4.31, 4.44 & 7.7	

Section 4: Complaint Handling Staff

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
4.1	Landlords must have a person or team assigned to take responsibility for complaint handling, including liaison with the Ombudsman and ensuring complaints are reported to the governing body (or equivalent). This Code will refer to that person or team as the 'complaints officer'. This role may be in addition to other duties.	Y	Complaint policy section 10	Milestone have a complaints handling team headed up by a complaints handling lead ("complaints officer"). Liaison with the Housing Ombudsman is through the complaints handling lead.
4.2	The complaints officer must have access to staff at all levels to facilitate the prompt resolution of complaints. They must also have the authority and autonomy to act to resolve disputes promptly and fairly.	Y		Milestone empowers the complaints handling lead to make decisions and facilitate complaints however the Member Responsible for Complaints is a Director of Milestone and is able to make decisions without the need to consult with any other Directors. The complaints handling lead has direct access to the MRC.
4.3	Landlords are expected to prioritise complaint handling and a culture of learning from complaints. All relevant	Y	Complaint policy section 5.1	Milestone have a complaint handling team who are trained and familiar with the

	staff must be suitably trained in the importance of complaint handling. It is important that complaints are seen as a core service and must be resourced to handle complaints effectively			Complaints Policy and Milestone's commitment to excellent service standards

Section 5: The Complaint Handling Process

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
5.1	Landlords must have a single policy in place for dealing with complaints covered by this Code. Residents must not be treated differently if they complain.	Y	Complaint policy section 3.8 One complaint policy	
5.2	The early and local resolution of issues between landlords and residents is key to effective complaint handling. It is not appropriate to have extra named stages (such as 'stage 0' or 'informal complaint') as this causes unnecessary confusion.	Y	Complaint policy sections 4.7-4.13	Only two complaint stages
5.3	A process with more than two stages is not acceptable under any circumstances as this will make the complaint process unduly long and delay access to the Ombudsman.	Y	As above	As above
5.4	Where a landlord's complaint response is handled by a third party (e.g. a contractor or independent	Y	Complaint policy section 3.9	Milestone do not use any third parties for complaints handling.

	adjudicator) at any stage, it must form part of the two stage complaints process set out in this Code. Residents must not be expected to go through two complaints processes.			
5.5	Landlords are responsible for ensuring that any third parties handle complaints in line with the Code.	Y		As above
5.6	When a complaint is logged at Stage 1 or escalated to Stage 2, landlords must set out their understanding of the complaint and the outcomes the resident is seeking. The Code will refer to this as “the complaint definition”. If any aspect of the complaint is unclear, the resident must be asked for clarification.	Y	Complaint policy section 4.7	
5.7	When a complaint is acknowledged at either stage, landlords must be clear which aspects of the complaint they are, and are not, responsible for and clarify any areas where this is not clear.	Y	Complaint policy section 4.22	
5.8	At each stage of the complaints process, complaint handlers must: a. deal with complaints on their merits, act independently, and have an open mind;	Y	Complaint policy sections 3.7-3.11	

	b. give the resident a fair chance to set out their position; c. take measures to address any actual or perceived conflict of interest; and d. consider all relevant information and evidence carefully.			
5.9	Where a response to a complaint will fall outside the timescales set out in this Code, the landlord must agree with the resident suitable intervals for keeping them informed about their complaint.	Y	Complaint policy section 4.13	
5.10	Landlords must make reasonable adjustments for residents where appropriate under the Equality Act 2010. Landlords must keep a record of any reasonable adjustments agreed, as well as a record of any disabilities a resident has disclosed. Any agreed reasonable adjustments must be kept under active review.	Y	Complaint policy sections 8.4, 9.1 & 9.2	Milestone will record on their systems any requested reasonable adjustments and reasonable adjustments may be requested at any point during the complaints procedure.
5.11	Landlords must not refuse to escalate a complaint through all stages of the complaints procedure unless it has valid reasons to do so. Landlords must clearly set out these reasons, and they must comply with the	Y	Complaints policy section 4.4	

	provisions set out in section 2 of this Code.			
5.12	A full record must be kept of the complaint, and the outcomes at each stage. This must include the original complaint and the date received, all correspondence with the resident, correspondence with other parties, and any relevant supporting documentation such as reports or surveys.	Y		Milestone use a GDPR compliant and secure Sharepoint hub to monitor complaints. No data is stored for longer than is necessary. We have not received any formal complaints to date.
5.13	Landlords must have processes in place to ensure a complaint can be remedied at any stage of its complaints process. Landlords must ensure appropriate remedies can be provided at any stage of the complaints process without the need for escalation.	Y		We do not have a compensation policy, but our complaints officer is empowered to provide appropriate remedies at any stage.
5.14	Landlords must have policies and procedures in place for managing unacceptable behaviour from residents and/or their representatives. Landlords must be able to evidence reasons for putting any restrictions in place and must keep restrictions under regular review.	Y	Complaint Policy sections 4.46-4.49	Milestone expect customers and any representatives to adhere to the Complaints Policy sections on Unreasonable Customer Behaviour
5.15	Any restrictions placed on contact due to unacceptable behaviour must be	Y	As above	As above

	proportionate and demonstrate regard for the provisions of the Equality Act 2010.

Our complaints handling team have a vulnerable resident workflow which they follow to identify if a resident is vulnerable or requires any special measures.
